From the first migrants from Hartford and Windsor in the 18th Century, Litchfield has become home to people of varied heritage.

We want to hear your family's story!

Where did they come from?

When did they arrive?

How did they help to shape the community?

Are you an immigrant?

Please feel free to bring small artifacts, documents, photos, or other memorabilia you would like to share with the group.

In order to encourage meaningful conversation, space is limited to 40 people.

You MUST pre-register.

Facilitators will help guide participation.

Unable to attend but want to share your story?

We would love to hear from you!

This **FREE** event is sponsored by a Common Heritage grant awarded by the National Endowment for the Humanities
