The Letter E

The letters in this lesson are all loopy letters. All the letters in this lesson follow the basic steps as the letter e.

Trace the letter e and finish the line with your own letter e's.

Practice writing the cursive letter e both alone and connected to letters you learned in earlier lessons. Try to start and end the letter e on the bottom line.

Practice writing these words: tee, egg, age, get

Handwriting practice lines for independent writing. Each line consists of a solid top line, a dashed middle line, and a solid bottom line. There are five such lines provided for practice.

The Letter L

The letter l is a lot like the letter e, but stretched tall. Follow the steps to write the letter l. Remember to make an even sized loop and try to start and end you l on the bottom line.

Practice writing the cursive letter l both alone and connected to other letters.

Try writing these words: all, lead, deal, call, claw,

Blank handwriting lines for independent practice, consisting of multiple sets of top, middle-dashed, and bottom lines.

The Letter H

The letter h is also a loopy letter. Follow the steps to write the letter h.

Practice writing the cursive letter h. Try to make each letter an even width.

Try writing these words: he, the, had, each, child, watch

Handwriting practice lines for writing the words: he, the, had, each, child, watch.

The Letter K

The letter k is similar to the letter h. Follow the steps to write a cursive letter k.

Practice writing the cursive letter k both alone and connected to other letters.

Try writing these words: kit, kite, elk, tick

The Letter B

Trace the steps to make the letter b on the following line.

Curve up  Straight line down  Curve up to the middle  Finish at the top  

Like the letter w, the letter b ends on the half-way line. When combining the letter b with other letters, start the next letter from the half-way line. Trace the letter b combinations below. **Try writing these words: bath, bed, bite, bug**

The Letter F

Follow the steps to write a cursive letter f. Try to make the top and bottom loops even.

Practice writing the letter f. Try to start and end the letter on the bottom line.

Try writing these words: fall, fit, fell, chef

The Letter J

The letter j starts like the climb and slide letter i. Follow the steps for the letter j.

Practice writing the cursive letter j. Try to make all your letters even and consistent.

Try writing these words: jet, juggle, eject, juice
